

Project Registration and Quote Form

E.031701.v4

- This form is the only one accepted for Project Registrations with quantities of +500 linear meters/yards per item or assorted with a total of +500 linear meters/yards.
Registrations must be accompanied with the official specification mentioning your company as supplier.
Without such a specification we cannot accept the registration.
- This form is valid only till December 31 of the year of registration and expires automatically December 31.
The importer has the option to re-register the project in December.
- Incorrect information to Tapetex allows Tapetex to stop delivery to a distributor without any notification or compensation.
- Unless otherwise stated, the standard terms of delivery and payment apply. Obvious writing mistakes are reserved.
- Please fill out all required details, together with a copy of the official specification, and e-mail your request to info@tapetex.com. We will reply as soon as possible.

Territories with multiple distributors

The distributor must specify on each order with minimum +500 lm/lyd per item the project name and city, so that Tapetex can carefully track and clean-up the registrations.
